They are carnestly of opinion that the commission to enforce the bill stands that the commission to enforce the hill stand the chosen from the citizens of Utah and some of them favor the appointment of great an would be indicated. An exaministion of the billion for the new service and of the control of the contr one non-polyganious Mormon on the board If, however, the president concludes to appoint from the autoide, they arge that he shall choose men of national reputation, not the political many of the old fraude had their officin. The

territory divided and the conthern half admit-ted as a state, because there will be two more republican senators supplied by the new com-anonwealth to the senate and several republi-can representatives to the house. Because its continued to the sense and several republicant the continued to the sense and several republicant the democrate oppose its division and states in the sense and several republicant sense and several sense and have itself to give oned route the number of time, which the world describe described and the sameline disc which the nature of the posts Buch a contest upon such grounds is absolutely indefensible. If Dakota is entitled upon its merita to admission into the Union it should would allow. Every sources of information was be admitted; if it lacks any essential requirewhere the new contribution and artistate the service called for mould be accurately adjusted near of the law it should not be. The ques-tion of a state being admitted or being refused admission into the union is not properly nor should it be made a partism our, and the two vio called for mould be accurately adjusted for the particular and said of the first particular for, and a great second of the first particular for, and a great second for the first of a second of the first of the service not only to his present best about the survive no that parties in congress are destroying commun to spect for themselves and the first might be set for themselves are possible. The hide years solicited shifter as possible. The hide years solicited shifter as possible and the restriction of the solicited shifter as a consequent of the solicited shifter as the solicited mates for promitation is recogness were being as a territory it has swinned us creations of a territory in a swinned us continued in October last for the coming level a territory it is subject to mational laws, and congress should compel it to pay its just delute as a territory before it becomes a state. Con-Succeeding amount greatest for the previous year

Succeeding amount greatest for the previous year

The head of the contract

Ay about \$1,006,000. The head of the con bain, hewever, for some time insisted on

the old amount being proposed—the same sum mon of late to be further encouraged, and consaid to by this head of the department when gress should do what it can to discourage it by Recoiled the Executor's Surriber Sale of too fear that the ster route bidders would the last dellar of the Yankton debt, of which the Jewerr, 107 F rat 84. combine, and this, with the natural growth of territorial legislature authorized the repudia- OREGON BLACOD'S TRIP I FIRE the population in the sparsely solved torritorial legislature authorized the reputation of the sparsely solved torritorial would render a impossible to keep up an efficient service with the smaller sum.

The state of Ireland continues to be one of civil war on a small scale, with incendlary processes and secret murders on one side and the sum seked was made only \$500,000 less than that granted when Bridy was in charge. It is possessed and secret murders on one side and the processes and secret murders on one side and the processes and secret murders on one side and of the fine of typic general secret murders on the possesses and secret murders on one side and of the fine of typic general secret murders on the processes and secret murders on that granted when Brady was in charge. It is needless now to point out the wisdom of Mr. armset views on this subject, the result amply instifying his prediction that the coult of the star route service could safely be placed at could be found. There is virtual rehelitor; and the star route service could safely be placed at could be found. There is virtual rehelitor; which is predictionally be placed at could be found. There is virtual rehelitor; which is the country of the could be found. There is virtual rehelitor; which is the could be could be found. There is virtual rehelitor; which is the country of the could be found. There is virtual rehelitor; which is the country of the country S1.000.000 less than it had previously been pur-formed for.

The existing contract term of four years be-gun July 1, 1878. A favorite method of the
